Payment by standing order or in advance is at the choice of the member. However, there will be no reduction in payment-in-advance rates when joining/racking or leaving/not racking part way through a subscription year. Standing orders should be set up such that the first payment is in the month of joining/racking. It would assist keeping track of standing order payments if members set standing order payment dates between the 3rd and the 26th day of the month.

Payments by standing order and in advance by bank transfer should be made to the following account and **members should advise the Treasurer that these have been effected and in what amount**. Please reference all such transactions as follows "NAME, SRC SUBS/RACK".

If you are in any doubt about your required subscription rate, please contact the Treasurer at treasurer@sudburyrowingclub.org.uk. If you wish to cease your membership at any time you must advise the Treasurer, Captain or Secretary of your decision in writing, making clear the date from which it is to be effective. Failure to do so will result in an on-going liability for membership fees.
